

How to set up the NJSA English Premier Fields at West Rocks School

Each team is responsible for the goals.

Each team should setup or take down one goal.

The goals must be set up before 9:00 to allow play to can start on time.

It takes about 15 minutes to set up goals.

Goals

The goals are located along the fence.

You will need to unlock the goals prior to starting.

Nets and Flags

The nets are located in the gray container for the South Field and in the green lock box by the goals for the North Field.

The flags are located in the gray container.

Field Setup

1 Move the goals into position in the center of the goal line

2 SPIKE THE GOALS DOWN, four spikes per goal

3 The nets are placed on the outside of the goals

4 There is a tag that indicates the top corner of the net

5 The net is clipped in place along the top and sides

6 Peg the back of the net along the to the ground using the metal pegs

7 Place the flags on the corners of the field

Field Breakdown

After the last game

The nets and spikes go into the blue totes and brought to the respective containers.

The flags are brought to the gray container.

Put the goals by the fence next to the green box. Place them orderly so they can be chained.

If the coach or assistant coach cannot be at the game, please instruct the parent or person taking over for you about the field setup.
